SUPERINTENDENT'S REPORT

To the School Board and Citizens of Swanzev :

I have the honor to submit my fourth annual report.

TEACHERS: Five withdrawals took place from the Swanzev training staff during the past summer. These teachers resigned from the Cutler School; Mrs. Dorothy McCormack, Mrs. Eileen Duchesneau, and Mrs. Dorothy Story. Miss Louise Goodell resigned from the Wilcox School and Miss Valma Morrill from the East Swanzev School. To fill these positons, the School Board elected the following :

School	Grade	Teacher	College
Cutler,	1-2	Patricia Doherty,	Lowell Teachers College
Cutler,	3-4	Martha Rand,	North Adams Teach- ers College
Cutler,	5-6	Mary Morris,	Westfield Teachers College
Wilcox,	5-8	Winifred Sargent,	Keene and Plymouth Summer School
East Swanzev,	1-2	Maria Kaeser,	Ethical Cutler School Westfield Teachers College

The School Board elected Miss Evelyn L. Brinton of Keene to supervise music instructions for two days per week. Her work has been very successful. Her annual report records the accomplishments in this field to date.

Mrs. Essie Twitchell was elected to teach at the Number Nine School as it was found necessary to transport all third and fourth grade children from East Swanzev to this one-room building in order to relieve the congestion in the lower grade room.

Miss Helen E. Rice resigned in November and her place was taken by Miss Mary Coll, a graduate of Keene Teachers College.

The work of all of these teachers has been of high grade and the results obtained have been very commendable.

BUILDINGS AND GROUNDS: During the summer of 1941, the following repairs were made in addition to regular summer cleaning in the Swanzey schools:

Cutler School—A modern fire escape.

East Swanzey School—Boiler overhauling, renovation of chemical toilets, and completion of electric lights.

Wilcox School—New slate blackboard installed.

Number Nine—Installation of electric lights.

All of the Swanzey school buildings are now in fine physical condition and their upkeep has been maintained on a higher level by efficient janitor service.

INSTRUCTIONAL ACTIVITIES: The policies of last year have been continued in emphasizing the importance of such fundamental subjects as penmanship, reading, arithmetic, and spelling. This year, the stress has been put on spelling and monthly administrative tests have revealed an increasing efficiency in this subject.

SCHOOLS IN WAR TIME: This country is at war and the schools must make many adaptations for complete, intelligent, and enthusiastic cooperation in the war effort. Our local school officials have given serious attention to some of the most important of these services, such as:

1. Protecting school children and property against attack by providing shelters against air raids and by providing adequate safeguards against fire.

2. Promoting health and physical efficiency of the school children by stressing systematic and vigorous follow-up work by the school nurse after the physical examinations by the doctor and by introducing a physical education program into the schools.

3. Conserving materials and eliminating all forms of waste in the use of school supplies such as books, paper, pencils, etc.

4. Stimulating the democratic way of living by teaching the ideals of democracy by word and deed in the various activities of the school.

In conclusion, I wish to express my appreciation to the teachers and pupils, to the School Board, and to the parents and patrons of our schools for their loyalty and cooperation.

Respectfully submitted,

CHARLES W. WALKER,

Superintendent of Schools.

February 10, 1942, Winchester, N. H.

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools:

Music is taught daily in the first eight grades in all the schools of Swanzey by the teachers under the supervision of the music supervisor who calls each week to check the work covered and to make new assignments.

The chief aim in teaching music in the public schools is to develop a lasting love for vocal music. In working toward this goal, we try to develop the desire to sing, to teach the pupil how to sing, and to teach the pupil how to express his feelings through music.

We hope through this plan of study to arouse in the student a desire to hear good music, the ability to appreciate good music, acquiring an increasing skill as a singer, and learning the use of singing as a means of self expression.

From grades two through eight, we are teaching note reading along with training in voice production, enunciation, expression, and interpretation.

The Christmas operettas given at West Swanzey and East Swanzey were very nice and the way in which the public supported these events was most gratifying. Center Swanzey and North Swanzey expect to put on two operettas in the spring and we hope to have full houses at each showing.

I wish to express my sincere appreciation to the Board of Education, to my Superintendent, Mr. Walker, and to all my principals and teachers for their splendid cooperation accorded me.

Respectfully submitted,

EVELYN L. BRINTON,

Music Supervisor.
